AN EQUAL EMPLOYMENT OPPORTUNITY AGENCY

the statewide rates for independent providers (non-agency rates) are published, independent providers, whether or not they are Qualified Vendors, will receive the applicable statewide independent provider rate (non-agency rate) as modified by the individual consumer level of need assessment.

4. The Division has published two rate schedules that are available on the Division's website. The schedule numbered 5.1 (5.2, 5.3, etc. for later versions) and the schedule numbered 6.1 (6.2, 6.3, etc. for later versions) will be used beginning in Fiscal Year 2005. The discussion below references rate schedules 5.1, and 6.1. As new schedules are released, they will be numbered to reflect the version (e.g., the next version of 5.1 will be numbered 5.2). However, unless otherwise provided, the explanation below will continue to apply.
 - 4.1 Schedule 5.1 (labeled "Benchmark and Adopted Rates") contains the rates that will be used beginning in Fiscal Year 2005. The Schedule contains two columns of rates. The first column labeled "Benchmark Rate" contains the rates that the Division calculated through its rate setting process. The second column labeled "Adopted Rate" contains the rates that the Division adopted for the published rate schedule and these are the rates to be used for each service when billing the Division.
 - 4.2 Schedule 6.1 (labeled "Adopted Rates, Conversion to Daily Rates") converts the staff hourly rates from Schedule 5.1 to daily rates for the services of Habilitation, Community Protection and Treatment Group Home and Habilitation, Group Home. The rates on these schedules are to be used for these two services when billing the Division.
5. The Division may provide for a method to modify a published rate for a service provided to a particular consumer.
6. The Division acknowledges that the rate models used to determine the Benchmark Rates on Schedule 5.1 do not necessarily reflect actual cost profiles. Actual patterns of expenditures by Qualified Vendors may be different from those outlined in a given rate model. The Division recognizes that assumptions in the rate models may need to be updated over time.

6.5.7 Monitoring.

6.5.7.1 The Division may monitor the Qualified Vendor or any subcontractor and they shall cooperate in the monitoring of services delivered, facilities and records maintained and fiscal practices.

6.5.7.3 If the Division requires the Qualified Vendor to implement a corrective action plan, the Qualified Vendor shall notify all current and prospective consumers that they are operating under a corrective action plan. This is intended to relate to specific contract actions which require a specific corrective action plan and is not intended to cover customary program monitoring issues that require corrective action plan. Qualified Vendors will be specifically advised if a contract action requiring a corrective action plan activates this requirement. Otherwise this section is not applicable.
